

The Tinina Q. Cade Foundation
Annual Report 2018

Dear friends of Cade Foundation,

In 2018, entering into our 13th year, we had some amazing events, from the Gala at the French Embassy in Washington DC, to the 13th Maryland Race for the Family, to the 2nd Annual Corks with Cade Wine Festival in Maryland and our inaugural Corks with Cade Wine Festival in California. We also had various Pathways to Parenthood conference events. These events enabled us to raise awareness about infertility as well as raise funds to better support many families who are OVERCOMING infertility.

Since the Tina Q. Cade Foundation was founded in 2005, we have hosted over 275 education-focused activities and have funded 104 families with grants and raffle awards of up to \$10,000 for adoption or fertility treatment. As a result, an overwhelming number of these families have OVERCOME infertility. Of those families, 74 babies were born or adopted with the help of our organization. To raise these funds in the past, we have Danced for the Family, Brewed for the Family, and raced throughout the US for the family. Most importantly, we have given families a chance to share their stories to help others dealing with similar situations. As successful as 2018 was for our organization, we appreciate your continuous support and encouragement in our efforts to support families OVERCOMING infertility and we look forward to even bigger successes in the years to come!

Most sincerely,

Dr. Camille Hammond

CEO, Tina Q. Cade Foundation

Family Building Gala

2018 Family Building Gala

- The Cade Foundation Family Building Gala is our opportunity to recognize the outstanding work of the organizations and individuals throughout the nation supporting families **OVERCOMING** infertility. Each year we will recognize new Family Building Grant recipients, and celebrate the contributions of Family Building Champions! We had Live Music, a Silent Auction, Open Bar, and a Seated Dinner Program.
- The 2018 Gala was held at the French Embassy in Washington, DC and was a sold out event. We were able to raise over \$53,000.

A photograph of three women standing outdoors, likely at a car show or event. They are all wearing white aprons over dark clothing. The aprons feature the logo 'Corks with Cade' in gold and black text. The woman on the left is smiling, the woman in the middle has a neutral expression, and the woman on the right is smiling. In the background, there are trees, a blue SUV, and a white car with its trunk open. A red stop sign is visible on the left. The text 'Corks with Cade MD and CA' is overlaid in white serif font across the center of the image.

Corks with Cade

The 2018 Cade Foundation Corks with Cade took place in Maryland on August 25th at Hidden Hills Farm & Vineyard hosted by Shady Grove Fertility. This year we also had a Corks with Cade in California on September 15th at Dante Robere Vineyards. This was hosted by the Reproductive Science Center.

Over \$36,000 was raised between these 2 events.

Pathways to Parenthood

- Pathways to Parenthood is our conference focused on providing families with infertility with different ways to become a parent following a diagnosis of infertility. The conferences include a panel of speakers (fertility specialist, adoption expert, foster care expert, acupuncturist, mental health provider) who share resources and supports available to help families become parents.
- **4 conferences were held in DC, Baltimore, Upper Marlboro, and Houston.**
