

The Tinina Q. Cade Foundation

2019 Annual Report

Dear friends of the Tinina Q. Cade Foundation,

In 2019, we celebrated our 14th year with several amazing events that brought our families and friends closer together. From the Race for the Family at Maryland Zoo, to the Corks with Cade events in Richmond, Maryland, and California, to the 14th annual Family Building Gala, we were able to build our Cade Foundation community and raise money to help grow our family even more. These events enable us to raise funds to help families with costs associated with fertility treatment or adoption so that they are able to OVERCOME infertility. In 2019, we were fortunate enough to give away 16 grants of up to \$10,000 with the funds raised from these events. We also held various Pathways to Parenthood conferences to provide awareness and knowledge about infertility and share resources to help families become parents.

Since the Tinina Q. Cade Foundation was founded in 2005, we have hosted hundreds of education-focused activities as well as funded 121 families with grants and raffle awards up to \$10,000 for adoption or fertility treatment. As a result, 89 babies have been born or adopted with the help of our organization. To raise these funds in the past, we have Danced for the Family, Brewed for the Family, and Raced for the Family all across the United States. Most importantly, we have given families the opportunity to share their stories in hopes of helping others who may be dealing with infertility. We appreciate your continuous support and encouragement in our efforts to help families OVERCOME infertility and we look forward to supporting many more in the years to come!

Most sincerely,

Camille Hammond

 2019 Family Building Gala

Family Building Gala

Saturday, November 2nd, 2019 marked the Cade Foundation's 14th annual Family Building Gala. This event allowed us to recognize the organizations and individuals across the country who support families **OVERCOMING** infertility, as well as recognize the new recipients of the Family Building Grants.

The 2019 Gala was held at the Royal Sonesta Harbor Court Hotel in Baltimore. The Gala included music, a silent auction, dinner, dancing, and a seated program.

The Cade Foundation sold over 150 tickets to the Gala, and raised over \$51,300 to continue helping families **OVERCOME** infertility.

2019 Pathways to Parenthood

Pathways to Parenthood Conferences

Our Pathways to Parenthood conferences focus on providing families with infertility with different ways to become a parent following a diagnosis of infertility. The conferences include a panel of speakers (fertility specialist, adoption expert, foster care expert, acupuncturist, and mental health provider) who share available resources to help families who wish to become parents.

In 2019, we had two faith-based Pathways to Parenthood Conferences. On April 29th, the first conference was held in Houston and the second was held on September 18th in Maryland.

THE FUTURE OF FAMILY BUILDING CONFERENCE

Thursday, May 30 2019 7:00 AM – 12:00 PM EDT
University of Richmond

The Future of Family Building Conference will share about the future of infertility diagnosis and treatment and family building supports. Attendees will learn about the following:

- The ways use of genetics will change infertility diagnosis and treatment
- The future of adoption, mental health support, legal support and the future of complimentary medical support for families with infertility
 - Strategies to pay for fertility treatment and adoption
 - Advocacy and legislation
 - Nonprofit and support leader training

Fertility Expo that will include local (central VA based) adoption and foster care organizations, donor egg and infertility treatment organizations, gestational carrier and pharmaceutical support organizations and other resources.

The Future of Family Building Conference

This 2019 conference was the Cade Foundation's first virtual conference. People from all over the country attended this online event. It included a presentation about the future of infertility and a panel of the nation's leading experts who shared information on adoption, mental health, and legal services for family building.

The virtual conference received great reviews and provided the Cade Foundation with a solid basis for more virtual events in 2020.

Multidisciplinary Grand Rounds

The first Grand Rounds the Cade Foundation participated in 2019 was on March 29th at the University of Maryland Medical Center. The Department of Obstetrics, Gynecology and Reproductive Sciences hosted a discussion on preimplantation genetic testing.

The Cade Foundation also participated in a Grand Rounds at the Johns Hopkins University School of Medicine. On October 3rd, 2019 the Department of OBGYN held a discussion on the topic of donor eggs.

Coffee With Cade

Coffee With Cade is our interview series in which Dr. Camille Hammond, the CEO of the Cade Foundation, invited guests to discuss various topics related to family and fertility. The topics ranged from donor eggs to infertility and the law.

The interviews were held over livestream on the Cade Foundation's Facebook and Instagram pages. They were held from 12 to 12:30pm EST every other Monday.

Listeners were encouraged to sip some coffee (or tea!), ask questions, and share their thoughts throughout the livestreams.
