# A Note from the CEO

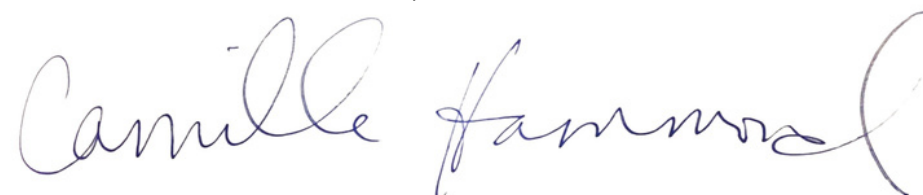

Greetings to you All,

2021 saw many organizations picking themselves up from the remnants of the COVID 19 pandemic. Even with this, Tinina Q Cade Foundation celebrate having been able to successfully host several events including our famous Race for the Family, Corks with Cade Maryland and California, and our 16th annual Family Building Gala which contributed to us raising over \$250,000 in donations.

We also pride ourselves in providing grants of up to \$10,000 to more than 16 families, and helping them embark on their journeys to OVERCOME infertility. These grants help families with costs associated with fertility treatments, adoption and other medical treatments that can help them OVERCOME infertility.

None of this would have been possible without the the endless support of our donors, supporters and team who work tirelessly to ensure that we are helping make a better world, one family at a time.

Most Sincerely,

Camille T.C. Hammond, MD, MPH  
CEO, Tinina Q. Cade Foundation
